New Members

This past month we have welcomed two new members into High Riders in pledge class 88!

- Shelby Kantro
- Keeley Wood

During pledge retreat, they learned about the pledge manual, double T pledge board and went to Altitude Trampoline Park!

After pledge retreat, they were pinned in memorial circle followed by the traditional breakfast at Lubbock Breakfast House.

Both new members have their bigs and have joined their respective families. We are so excited to watch the new members grow and carry on the traditions of High Riders!

Founders Day x2

This February we got to celebrate two important days. We first got to celebrate the 47th year of High Riders on February 2nd! Next we celebrated the 100th birthday of Texas Tech on February 10th.

We are so grateful to experience such big milestones at Texas Tech and in High Riders. Thank you to our founders, Nancy Neill Hughes, Lyn Morris Travis and Kathy Pate Scott for your vision of High Riders and unwavering support through the years!

Basketball

The Lady Raiders are continuing to work hard and have a great season! Over the last few weeks, we got to make the pink out game streamer drop happen, celebrate the seniors and decorate the locker room for their last home game of this season.

We are looking forward to supporting the women in the Big XII tournament and hopefully post season play!

Softball

The softball season has officially begun! The team is under new leadership this year with first year head coach Craig Snider.

The team has started the season 12-5. We cannot wait to watch them in action at home in the coming weeks!

Advisors

High Riders is fortunate to be overseen by incredible advisors: Stacy Caliva, Bill Todd and Diane Todd. We are always thankful for the wisdom and guidance they provide us!

With that being said, we would like to introduce to you our newest faculty advisor, Sandra Addo!

Sandra works in the deans office of the Davis College of Agricultural Sciences and Natural Resources as the Program Manager for Diversity & Graduate Student Recruitment. Along with her traditional work duties, Sandra currently serves as the Staff Senate President for the 2022-2023 school year.

Sandra is a Red Raider through and through. She graduated from Tech with her bachelor's degree in business administration and marketing as well as her master's degree in strategic communication.

We are very excited to welcome her to the High Rider family!

Raider Red

Raider Red has been very busy as usual. Aside from the usual basketball and baseball games, Red has been traveling across the country to various events.

To start the month, Raider Red traveled to Mobile, Alabama to support two Texas Tech football players in the Reese's Senior Bowl. Following that, Red has been to Dallas, San Antonio, McAllen and Austin for Raider Road Shows with the Presidents Office.

Red also took an active part in celebrating the 100th anniversary of Texas Tech! Raider Red will continue to stay busy through the end of semester. To keep up with all of his adventures, you can follow him on Facebook, Instagram and Twitter at @TTURaiderRed!
